FOREWORD

The Micro, Small and Medium Enterprises (MSMEs) is a vibrant sector of the Indian economy and consistently registered a high rate of growth in terms of production and employment generation as compared to the rest of the industrial sectors. Marketing is one of the critical areas where MSMEs face problems. In the global arena, they do not have the strategic tools and means for their business development, unlike the medium and large enterprises. In order to help the Micro and Small Enterprises in marketing their products in Government Department/Agencies, Ministry of MSME, Government of India in exercising the powers conferred in section 11 of MSMED Act, 2006 notified Public Procurement Policy for Micro & Small Enterprises which become effective from 1st April, 2012. The policy mandates that 20% of procurement of annual requirements of goods and services by all Central Ministries / Public Sector undertakings will be from the micro and small enterprises.

The Br. MSME-Development Institute, Siliguri organized first time in North Bengal a 3-days National Level Vendor Development Programme-cum-Buyers-Sellers meet in association with North Bengal National Chamber of Commerce & Industries (NBNNCCI), at Sports Complex ground, Jalpaiguri from 10th February to 12th February 2014 in the 7th North Bengal Trade Fair. The objective of the programme to disseminate information about Public Procurement Policy to local central Government Ministry/ Department/CPSU and Micro & Small Enterprises and to enable to identify right vendor, establishing a business linkage between them and developing MSMEs to become competitive and a part of larger supply chain mechanism.

In this event 69 numbers of Micro & Small Enterprises (MSEs) participated and 4 numbers of Government Departments and CPSUs like Northeast Frontier Railway, Border Security Force, Tea Board and Bharat Sanchar Nigam Ltd. also participated and elaborated vendor registration procedure, purchase procedure and highlighted about the store items procured respectively in the technical sessions. The schemes of National Manufacturing Competitiveness Programme, besides Public Procurement Policy also highlighted by the officers of Br. MSME-Development Institute, Siliguri as well as MSME-Development Institute, Kolkata. About 7 vendors being applied for new registration. This event is proved very beneficial to local MSMEs participated in this NLVDP in understanding the various items procured by Border Security Force (BSF)/ Central Police Canteen (CPC), NF Railways and other participating Government Departments and about purchase procedure, vendor registration procedure on line, e-tendering, digital signatory certification, free registration documents and no registration fees for MSMEs registered with NSIC. This gives a new dimension towards development of new MSEs in this area as well as development of new product as the market is ensured and buyers are ensured about availability of right vendor locally.

I wish more business development to all MSEs and CPSUs and Government Departments and also thanks all participating organisations viz. NF Railways, New Jalpaiguri; BSF, Raninagar; BSNL, Jalpaiguri, Tea Board of India, Jalpaiguri and NBNNCCI & MSEs for kind cooperation in organizing the event. I thank D3 IIC, and staff members of Br. MSME- Development Institute, Siliguri and officers of this institute for their painstaking endeavour to make this event a grand success.
